

NIGHT SKY GALAXY JAR

INGREDIENTS

- 1 bottle of liquid night sky
- 2 bottles of liquid sunset
- Several big handfuls of cotton clouds
- A heap of stars
- 1 jar with a lid

DIRECTIONS

1. Stretch and flatten a large handful of fluffy clouds.
2. Stuff the clouds into the jar till it is a third full.
3. Add a sprinkle of stars.
4. Pour liquid night sky into the jar until the clouds are wet-through.
5. Repeat the process with both colours of liquid sunset.

PRESTO!

One Galaxy Jar
